Step 3. Further fill all required details in next page and click on get started as shown below

The image displays two sequential screenshots of the SendGrid account setup process. The top screenshot shows the 'Tell Us About Yourself' form, which includes fields for First Name (Shanmuga Priya), Last Name (M), Company Name (Velammal college of engineering), Company Website (Velammal college of engineering), Country Code (India (+91)), and Phone Number (9080888421). It also features a role selection section with 'Developer' selected, and a section for email volume with '0 to 100,000' selected. The bottom screenshot shows the continuation of the form, with 'Developer' still selected, and a section for employee count with '1 - 500' selected. A 'Get Started' button is visible at the bottom of the form.

Step 4. That's it you have created your SendGrid account and got access to dashboard

Output:

Send Grid account created successfully.
